Re: Review Comments Received from Resource Development Coordinating Committee (RDCC),
Travertine #1 Mine, M/023/042, Juab County, Utah

Dear Mr. Burningham:

On July 13, 2000, we received comment from RDCC regarding our notification for tentative approval of the Travertine #1 Mine project. A copy of their letter is attached.

If you haven't already done so, please contact the Division of Air Quality to obtain an Air Quality permit. Their address and phone is: 150 North 1950 West, Salt Lake City, Utah 84114 (801) 538-4400. If a permit is required, please submit a copy of the Air Quality permit approval to our office when it is received.

Thank you for your cooperation in this regard.

Sincerely,

A handwritten signature in cursive script that reads "Tom Munson".
